The screenshot shows the Autodesk Licensing - Activation Options window. The main window displays the Autodesk logo and the text "Product License Activation Options". Below this, it lists the product details: "Product: Autodesk AutoCAD 2018", "Serial Number: 666-69696969", "Product Key: 001J1", and "Request code: 6Y3T FTFJ LLA3 QKR6 0L4V 4KT7 RUXF VYPZ". The request code is highlighted with a green box and labeled "copy 1". Below the product details, there are two radio buttons: "Connect now and activate! (Recommended)" and "I have an activation code from Autodesk". The second option is selected. Below the radio buttons, there are 16 input fields for the activation code, arranged in a 4x4 grid, and a "Clear All" button. At the bottom, there are "Back", "Close", and "Next" buttons.

An "X-FORCE" overlay window is positioned on the right side of the main window. It features a purple and black background with the text "X-FORCE" in large, stylized letters. Below this, it says "past [redacted] desk 2017 products". There are two text boxes: "Request:" containing the same request code as the main window, and "Activation:" containing the text "And press Generate". Below these are three buttons: "Patch", "Generate", and "Quit". The "Patch" button is highlighted with a red box and labeled "3".

An "Info" dialog box is open in the foreground, showing the message "Successfully patched" and an "OK" button. It is labeled "4".

Red arrows point from the "copy 1" label to the request code field in the X-Force overlay, and from the "3" label to the "Patch" button. A green "2" is placed near the "Request:" field in the X-Force overlay. A green "0" is placed near the "I have an activation code from Autodesk" radio button.
